

- **PURPOSE MADE AND AFFORDABLE LONDON FOOTAGE**  
Made to fulfill the lack of high quality London footage at affordable price. Designed to offer the complete freedom of choosing and editing the shots.
- **ESSENTIAL, COMPREHENSIVE AND UP TO DATE ENTRIES**  
Almost 1 hour long footage consisting of 308 shots and 77 entries. Each entry offers a few views, day and/or night and different framing (wide, medium, close-up, tilt, pan, track, zoom in/out).
- **LANDMARKS, PEOPLE, POLITICS, FINANCES, TRADE, TRANSPORT**  
Entries placed in 7 groups (see above) to help producers working on various topics. Along with London views there are shots of London People.
- **BASED ON OVER 20 YEARS EXPERIENCE**  
The compilation is a result of over 20 years camerawork experience of covering London Stories and endless requests for London views, b-roll and gw. The footage includes the most requested images.
- **SHOT AT THE MOST FAVORABLE CONDITIONS**  
Each location has been shot at the most preferred weather and lighting condition including day and night. Special care was maintained to produce generic shots compatible with other footage.
- **TIME CODED SHOT LIST**  
The shot list includes entry name, time code, framing and duration. The viewing copy is available online on our website.
- **DELIVERED ONLINE ON MPEG2 OR QUICK TIME ON A DVD DISK**  
The individual shots are uploaded to your ftp server in MPEG 2 format within 2hrs since receiving the order. The compilations of shots are available on QUICK TIME files and delivered on a DVD disk
